

Send all emails and their attachments to comments@flagshippress.com. For FTP file uploads use the following information to get into the Flagship Press public section of our ftp site. If you would like your own secured folder on our site please contact your Sales Rep and we will be happy to accommodate you. Please use Fetch or Cyber Duck (free) for the mac or cuteftp for the PC, these can be downloaded from www.downloads.com.

You can not access our site from a web browser.

Once you get onto the ftp site double click on the array1 folder then double click on the guest1 folder and leave clearly labeled stuffed files there.
